

**Washington
Association for
Community Health**
Community Health Centers
Advancing Quality Care for All

The Washington Association for Community Health offers a robust group purchasing program. Our purpose is to assist community health centers with saving resources, staff time and money by combining their collective purchasing power to purchase high quality products and services at preferential prices.

All members of the Washington Association for Community Health, as well as the Alaska and Oregon Primary Care Associations are eligible to receive discount pricing negotiated by The Association's Group Purchasing Program staff.

Our Vendors

Medical Supplies
